[Damian:]

So you came right on time  
You know that number seven is divine?

[Saana:]

I am confused, I am afraid  
I don't know what I should be thinking

[Damian:]

Gently my dear, there's no reason to be scared  
Look into my eyes and you will see the truth

[Saana:]

Your eyes are strange, deep ocean blue  
Yet full of wisdom, peace and confidence

[Damian:]

I have come to lead you to a place where you will meet  
your destiny

[Saana:]

You read my thoughts, you know my name and all my  
life  
I don't understand what is happening to me

[Damian:]

You must come, we'll take a trip to crystal island where  
she is awaiting  
She'll tell you why  
She'll tell you how  
She has the answers to your questions  
The reason why you're here  
The reason you were born  
The reason for your pain, soon you will understand  
Take my hand
