Learnt me to rock an' I learnt me t'roll  
Ya gotta use it baby t'keep your soul  
Go down to town, get some reaction  
Gotta go down cos I need a distraction

I've been tryin' it on with everyone in sight  
She's been waitin' so long for me t'come tonight

Baby's on fire and I'm burnin' up  
Sparks bin flyin' an' she can't get enough  
Can't get enough but she's got what it takes  
Baby's on fire and I got the shakes

There ain't no cure and there ain't no time  
You gotta have it and have it fine  
Don't say a word about her affections  
I'm gonna come from another direction

She's been tryin' it on with everyone in sight  
I've been waitin' so long for her t'come tonight

Baby's on fire and I'm burnin' up  
Sparks bin flyin' an' I can't get enough  
Can't get enough but she's got what it takes  
Baby's on fire and I got the shakes
