Been thinkin' now what I should do
I gotta decide
Waitin' here on the likes o' you
My Thursday child

I'll face the music that I hear in my head
As the night rolls by
Song of a drifter lost to the road
Tryin' to reach for the sky

Gotta get on the road
Gotta long way to go
Gotta get on home
Gotta get on the road
Gotta long way to go
Gotta get on home

So nothin' lasts n' I can't change
Been this way too long
Love burns so fast when you see the flame
Y'gotta let it shine on

God only knows it's hard to find
Ooo a place to belong
And as you grow to find your way
Ya have to move on

So I go my way like a shadow at night
Like a name on the wind
I'll sail away to an ocean of love
Oh let the tide roll in

Gotta get on the road
Gotta long way to go
Gotta get back home
Gotta get on the road
Gotta long way to go
Gotta get back home

Like a river runnin' outta the snow
Down to the ocean I'll go

Like a river with a soul of its own
I gotta let my love flow
