I wake in the night,  
To find you on my mind-  
Deep in a dream,  
You?ll always be,  
Till the end of time. . .

I look in your eyes,  
They touch my soul.  
My love is hard to hide-  
I?m never alone, when we?re apart-  
I feel you by my side . . .  
& here in my heart,  
Where no one else will ever be-  
I know who you are-  
So lock the door, and throw away the key!

Chorus:  
Save all your love,  
Save your love, for me!  
When I?m alone at night,  
You?re all I see. . .

I wake from a dream,  
& see you by my side-  
How could I belong to someone else;  
when holding you, feels so right. . .  
& here in my heart,  
where no one else will ever be-  
We?ve made it so far,  
So lock the door, and throw away the key!

Chorus:  
Save all your Love,  
Save your love, for me!  
When I?m alone at night,  
You?re all I see . . .  
Save all your Love,  
Save your love, for me!  
Don?t turn your back on me,  
You?re all I need!

I know who you are,  
We've come so far-  
So baby, stay with me!

Chorus:  
Save all your Love,  
Save your love, for me!  
Don't turn your back on me,  
You're all I need!  
Save your Love  
Save your Love  
Save all your Love!  
Save, Save all your Love!
