You crazy motherfucker what have you done today?  
How many ladies sucker? Did you forget the way?  
Oh my God you bless me yes I try  
Sai uomo un giorno  
non mi troverai  
Mia donna please believe me  
I'm living with my pain forgettin' all my troubles  
No ladies in my bed I try not to surrender yes I try  
Sai scommettiamo tutti i nostri guai  
I like you I won't make you cry I like you  
Non lasciarmi mai make you cry  
So just a joint together an automatic game  
We're just atomic lovers a sympathetic game  
I try not to surrender yes I try  
Sai ti amo pi? di un tempo e tu lo sai  
I like you I won't make you cry  
I yes I like you  
Non lasciarmi mai make you cry  
I try not to surrender yes I try  
Sai scommettiamo tutti i nostri guai
