Take the time to know her
Your search within her mind
But the weight it is
Too much for her to bear
So she runs leaving you asking why

Why'd she run away?
There's so much I wanted to say
But as much as I want her to stay
She's gone and I don't know where I went wrong
Maybe she's hurt for too long
But as much as I want her to stay
She's gone away

Take the time to love her
But suddenly you find
That she's run away
You are left behind
Leaving the thought of her in your mind
Your mind

Why'd she run away?
There's so much I wanted to say
But as much as I want her to stay
She's gone and I don't know where I went wrong
Maybe she's hurt for too long
But as much as I want her to stay
She's gone away

And I'd like to ask her
"Tell me just this once
why did it end this way?"
But she's gone away
As much as I'd like her to stay
She's gone and I don't know where I went wrong
But, oh, maybe she's hurt for too long

As much I want her to stay
But as much as I want her to stay
But as much as I need her
She's gone away
