Take me home, Take me home

Baby, I know you're wondering
Why I won't go over to your place
Cause I'm not to sure about how you feel
So I'd rather go at my own pace
And I know and you know that if we get together
Emotions will grow to work
And I may do something I might regret the next day
And end up hurt
Oh I don't know

That's the way that I feel
I'm so afraid of a one night stand
I wonder if I take you home would you still be in love
baby
Because I need you tonight

Your love is...

Lately you've been expressing to me
Just how much you want to make love
I want it just as much as you do
But will you still keep in touch
You say I'm teasing but I do have a reason
Don't let your feelings fade
Cause you will have me and sooner than you know it
If you could only wait
