Everyone knows I'm gonna rock a jam  
And I'm about to say hey  
Everytime I lose my mind  
Whatcha gonna do and  
Whatcha gonna say

Everyone knows I'm gonna rock a jam  
And I'm about to say hey  
Everything you got is  
Everything you want and  
Whatcha gonna do and  
Whatcha gonna say

Back, back  
Come on back  
Everyone got to come on back  
Find a girl  
Bring her back  
Everyone knows that that is that  
Y'all know who brought 'em  
I got 'em  
So y'all scrape the bottom I say,  
Y'all say who taught 'em  
I got 'em  
Just sit there rottin' away

Well I'm feeling really good right now  
I think I know why  
I got like zillions in the bank  
I got a piece of the pie  
I got haters all around me  
And I really don't care  
'Cause they ain't haters  
When they're waving their hands in the air

Everyone knows I'm gonna rock a jam  
And I'm about to say hey  
Everything you got is  
Everything you want and  
Whatcha gonna do and  
Whatcha gonna say

Everyone knows I'm gonna rock a jam  
And I'm about to say hey  
Everytime I lose my mind  
Whatcha gonna do and  
Whatcha gonna say

This piece is getting packed  
Y'all know I'm gonna bring 'em back  
I got skills where you lack  
Y'all know who brought 'em  
I got 'em  
So y'all scrape the bottom I say,  
Y'all say who taught 'em  
I got 'em  
Just sit there rottin' away

It's like the weekend all the time  
'Cause this occasion ain't rare  
The good times are over here  
I smell a party in the air  
I got my celly on me,  
Pager's handy,  
Ready to share  
My new digits to the ladies  
'Cause I just don't care  
I'm sayin'

Everyone knows I'm gonna rock a jam  
And I'm about to say hey  
Everytime I lose my mind  
Whatcha gonna do and  
Whatcha gonna say

Everyone knows I'm gonna rock a jam  
And I'm about to say hey  
Everything you got is  
Everything you want and  
Whatcha gonna do and  
Whatcha gonna say

Hands in my face and I'm sayin'  
Touchin' me,  
Touchin' you

It's like the weekend all the time  
'Cause this occasion ain't rare  
The good times are over here

(Let's turn it up a notch!)

Everyone knows I'm gonna rock a jam  
And I'm about to say hey  
Everytime I lose my mind  
Whatcha gonna do and  
Whatcha gonna say

Everyone knows I'm gonna rock a jam  
And I'm about to say hey  
Everything you got is  
Everything you want and  
Whatcha gonna do and  
Whatcha gonna say

Oh oh oh oh oh oh o-oh oh oh (x2)
