What do they see, looking at you could they see a  
dare?  
Dazzing eyes and wondering minds are hugging after  
you  
as you standing there as he steps your way, steps  
across the floor  
Coming onto you, here is what you do, do exactly  
what i say  
Lasting lady, show me what they really want...follow me

see what they really want nasty, nasty, nasty, nasty  
and what they really need nasty, nasty, nasty, nasty  
now listen to me say it nasty, nasty, nasty, nasty  
now say it next to me nasty, nasty, nasty, nasty

Listen up boys, you should know i dont believe in  
something could be wrong,  
(show them how came from)  
How to own you, the'll control your thoughts and  
longer dreams.  
as you standing there as he steps your way, steps  
across the floor  
Coming onto you, here is what you do, do exactly  
what i say  
Lasting lady, show me what they really want... and  
follow me (my baby)

see what they really want nasty, nasty, nasty, nasty  
and what they really need nasty, nasty, nasty, nasty  
now listen to me say it nasty, nasty, nasty, nasty  
now say it next to me nasty, nasty, nasty, nasty

Baby feels so good, you cant let go, your body goes in  
overload  
you cannot hide the way you feel, it makes you feel, it  
feels it feels to real

see what they really want nasty, nasty, nasty, nasty  
and what they really need nasty, nasty, nasty, nasty  
now listen to me say it nasty, nasty, nasty, nasty  
now say it next to me nasty, nasty, nasty, nasty

Lasting lady, show me what they really want...and  
follow me my baby

Lasting lady, show me what they really want... and  
follow me

Lasting lady, show me what they really want... and  
follow me

Read on come to me, if you really last, let me know who  
can go if you want \*\*\*

Nasty, com on and say nasty...nasty com on say nasty
