Wake up
It's four AM
Looked up at my clock
Started dreamin' of you again
All the time
You act so blind
I know you see a girl in heat
Feelin' and readin' your body, damn
You such a nice hottie
Well-built body
I got ploy
How 'bout a boy toy?
She doesn't need to know about us
And it wouldn't change a thing, I know

You're lookin' for the stable, not goin' anywhere type,
don't stay out all night
And I don't care 'bout that much, no
I just wanna be your wish

Don't you wish
If only for a night or two
Oh, the things I'd love to do
New temptation's calling you
Don't I wish
That you would leave your woman's arms
Capture you with all my charms
Just to have my way with you

Da da da da da da da da da da..
(Da Da Da Da Da Da Da Da Da Da Da Da Da Da Da Da)

Dear Guy
I'm never gonna ever be her, no way
I gotta get home, get down
Gotta do my thing (just do my thing)
I wanna be bad witchu (I, I, I, I)
That's all

Can't you see?
Understand
Be my man
Just one night
Hold me tight.. Ooh
Tighter and tighter 'till I tell you stop
No, I didn't mean stop
I meant go, go, go
Come for me

You're lookin' for the stable, not goin' anywhere type,
don't stay out all night
And I don't care 'bout that much, no
All I want is just one wish

Don't you wish
If only for a night or two
Oh, the things I'd love to do
New temptation's calling you
Don't I wish
That you would leave your woman's arms
Capture you with all my charms
Just to have my way with you (ohh)

(I'd love to do, I'd love to do, I'd love to do to you)
(Ooh..)
Boy, all the funny things you
(Do)
They make me wanna get with
(You)
Ooh, I'd love to...get close
To feel it all up in my soul
You say you gonna take me home with you
I don't know what to do..
(What the hell I'm gon' do?)

Da Da Da Da Da Da Da Da Da Da Da Da Da Da Da Da Da
Da Da Da Da Da Da Da Da Da Da Da Da Da Da Da Da Da
(Don't I wish)
Da Da Da Da Da Da Da Da Da Da Da Da Da Da Da Da Da
Da Da Da Da Da Da Da Da Da Da Da Da Da Da Da Da Da

Don't you wish
If only for a night or two
Oh, the things I'd love to do
New temptation's calling you
Don't I wish
That you would leave your woman's arms
Capture you with all my charms
Just to have my way with you

I'll love you

Don't you wish

If only for a night or two

Oh, the things I'd love to do

(I'd love to do, I'd love to do, I'd love to do to you)

New temptation's calling you

(I'd love to do, I'd love to do, I'd love to do to you)

Don't I wish

That you would leave your woman's arms (I'll love you)

Capture you with all my charms

Just to have my way with you

Don't I wish

That you would leave your woman's arms

Capture you with all my charms

Just to have my way with you
