Ohh you know I see you watching me
I know you getting into me boy
Come and tell me what you want
What you want from me

Ooh ooh (ooh ooh)
Ooh ohh (come on come on)
Ooh ooh

All the funny little things you do
They make me wanna get hot with you
Cause you keep me calm keep me satisfied
Yeah
Beign you loving here to my back door
Ill take it all and youll ask for more
Its time for me to let you see
Ohh baby

ooh ooh
you know I see you watching me
Ooh ooh
I know your getting into me
Ohh ohh
Come and tell me what from me
What you want from me [repeat]

Cant deny that you've been walking by
Then again cant say that I've been shy
But a girls gotta know just what she wants
Ohh

Gonna give you all the love I got
For a day or two then maybe not
I got a felling you got to let this be you and me

ooh ooh
you know I see you watching me
Ooh ooh
I know your getting into me
Ohh ohh
Come and tell me what from me

What you want from me [repeat]

Tell me please babay

Tell me

What you want u know u need

Tell me

Ohhh (tell me)

tell me tell me boy

ooh ooh

you know I see you watching me

Ooh ooh

I know your getting into me

Ohh ohh

Come and tell me what from me

What you want from me [repeat 4x]
