Well it's all right
Riding around in the breeze
Well it's all right
If you live the life you please
Well it's all right
Doing the best you can
Well it's all right
As long as you lend a hand

You can sit around and wait for the phone to ring
(at the end of the line)
Waiting for someone to tell you everything
(at the end of the line)
Sit around and wonder what tomorrow'll bring
(at the end of the line)
Maybe a diamond ring

Well it's all right
Even if they say you're wrong
Well it's all right
Sometimes you gotta be strong
Well it's all right
As long as you got someone to lay with
Well it's all right
Every day is judgment day

Maybe somewhere down the road a ways
(at the end of the line)
You'll think of me and wonder where i am these days
(at the end of the line)
Maybe somewhere down the road when somebody
plays
(at the end of the line)
Purple Haze

Well it's all right
Even when push comes to shove
Well it's all right
If you got someone to love
Well it's all right
Everything will work out fine

Well it's all right
We're going to the end of the line

Don't have to be ashamed of the car I drive
(at the end of the line)
I'm just glad to be here happy to be alive
(at the end of the line)
And it don't matter if you're by my side
(at the end of the line)
I'm satisfied

Well it's all right
Even if you're old and gray
Well it's all right
You still got something to say
Well it's all right
Remember live and let live
Well it's all right
The best you can do is forgive
Well it's all right
Riding around on the breeze
Well it's all right
If you live the life you please
Well it's all right
Even if the sun don't shine
Well it's all right
We're going to the end of the line
