Bad luck charm come back home tonight
Black cat I don't care if you bite
Scar me up
This time you've been away too long
Come sing to me the circle song
That changes the way I feel tonight

Bad luck charm winter's almost here
Dark sunshine come and make your love
Reappear
Bring back the feather that took you away
Bring back your sugar so I can taste
The way you make me feel tonight

I don't care if the sun dies out
Moon crawls out of the sky
I'd trade it all for a moment or two
Drifting away in your eyes

Bad luck charm carry me far away
Take over I can't be here alone
Another day
I'll follow you into the unknown
I'll follow you until someone takes
Away the curse that stays tonight

I don't care if the sun dies out
Moon crawls out of the sky
I'd trade it all for a moment or two
Drifting away in your eyes

I don't care if the sun dies out
Moon crawls out of the sky
I'd trade it all for a moment or two
Drifting away in your eyes
