Fire burns
Out of control somewhere
And I don't know how to fight it

I swear
I can't save us all unless
They slip right into my pocket

I follow you around
I follow you all a...
So glad I finally found you
I can't stand a day without you
So glad I finally found
A way to come home

Monday
Morning falling right through the cracks
And I don't know how to stop it

Take me down
Take me out let me fall to the ground
To the sound of all of the rain drops

I follow you around
I follow you all a...
So glad I finally found you
I can't stand a day without you
So glad I finally found
A way to come home

I follow you around
I follow you all a...
So glad I finally found you
I can't stand a day without you
So glad I finally found
A way to come home

So glad I finally found you
I can't waste a day without you
So glad I finally found
A way to come home

A way to come home
