Do do dodo do do do do
Do do dodo do do do

Do do dodo do do do do
Do do dodo do do do

I've been staring at my reflection for days now
I've nothing to report
And I don't care
Because I know somewhere you saved someone

I've been staring at T.V. now
Get burned by the commercials, she says
She's in love with me
She looks like you, I need my credit card

Santa Monica
You're so my home now
Like a sunset without a sun,
Without you I am no one
Can't fight the sunrise
I'm so alone now
Like a sunset without a sun,
Without you I am no one

Do do dodo do do do do
Do do dodo do do do

Do do dodo do do do do
Do do dodo do do do

I've been counting on my fingers for weeks now
I just can't figure out
Why you're not here
I let you go but I can't drop my fears

I've been counting spaceships here for years now
I see how
Had to get on board alone
To find your home

Santa Monica
You're so my home now
Like a sunset without a sun,
Without you I am no one
Can't fight the sunrise
I'm so alone now
Like a sunset without a sun,
Without you I am no one
No one

I've been counting spaceships here for years now
I see how
Had to get on board alone
To find your home
Had to get on board alone
To find your home

Santa Monica
You're so my home now
And like a sunset without a sun,
Without you I am no one
Can't fight the sunrise
So alone now!
Like a sunset without a sun,
Without you I am no one
Like a sunset without a sun,
Without you I am no one
Like a sunset without a sun,
Without you I am no one
No one
No one
No one
