Nowhere's somewhere else  
I can find it easily again  
I could find the root to all my troubles  
If I had the real pills

And not this simulated truth  
I can't take it  
All the rotting proof  
My friends say, sucker you just  
Wasted all your time  
Trying to find an answer  
Yeah I'm buying in  
I think I'm buying in

Climbed up on the fence  
Jumped into the other side  
Try and find  
Get closer to the way  
I see myself someday inside  
Real life

And not the simulated truth  
I can't take it  
All the rotting proof  
My friends say, sucker you just  
Wasted all your time  
Trying to find direction  
Yeah I'm buying in  
I think I'm buying in  
Yeah I'm buying in  
I think I'm buying in

Simulated Truth  
I can't take it  
All the rotting proof  
My friends say, sucker you just  
Wasted all your time  
Trying to find an answer  
Wasted all your time  
Trying to find direction  
Wasted all your time

Trying to find...  
Yeah I'm buying in  
I think I'm buying in  
Yeah I'm buying in  
I think I'm buying in
