Nothing's gonna break you sugarbones
No one knows how
No one's gonna take you down
That's what you always said to me at first
Nothing's worse now
Hangin' by a thread
Or was that yesterday?

Swear...You...Didn't know
Swear...You...Didn't know
You'd change
You'd change

Bricks that fall on me don't really hurt
Sometimes it works out
I think it even feels better
I'm a stranger in this town now
Never noticed all they've torn down

Swear...You...Didn't know
Swear...You...Didn't know
You'd change
You'd change

Nothing's gonna break you sugarbones
No one knows how
No one's gonna take you down

Swear...You...Didn't know
Swear...You...Didn't know
You'd change
You'd change

Swear you didn't know
Swear.....
Swear you didn't know

Swear.....you didn't know
Swear...you didn't know
Swear you didn't know
Swear you didn't know

Swear.....
Swear you didn't know
Swear.....you didn't know
