The girl named Glitter  
She don't know me  
But I love her  
Yeah it's complicated, I know  
She looks right through me  
She stares at pictures

She only wants the boys  
She only wants the boys  
The boys in the band

The girl named Glitter  
She walks above me  
She loves Porsches  
She gets frustrated  
She knows they're out there, there somewhere  
Driving without her

She only wants the boys  
She only wants the boys  
The boys in the band  
Ahh...  
The boys in the band

She only wants the boys  
She only wants the boys  
The boys in the band

The girl named Glitter  
Knocks on the bus door  
Tries to get lucky  
Yeah get elevated inside  
And I'll still love her  
I want her happy

She only wants the boys  
She only wants the boys  
The boys in the band

The girl named Glitter  
She don't know me!

But I love her  
Yeah it's complicated, I know  
I see her crying  
At the stage door

She only wants the boys  
She only wants the boys  
She only wants the boys  
She only wants the boys  
The boys in the band  
Ahh...  
The boys in the band  
Ahh...  
The boys in the band  
Ahh...  
The boys in the band  
Ahh...
