Dancing with Back Street Joe.

That was a time I loved.

When we were kids so young, so long ago.

Dancing with Back Street Joe, back in a time I loved.

We used to move all night, that was a time to know.

There comes a time in your life. When you just wanna  
break free.

But now I wanna go back, I wanna have him with me.

Dancing with Back Street Joe. We used to want that  
sound.

And everytime it played, we used to hang around.

A. There was music and there was rhythm and  
there was something I can't explain.

Out of nowhere he'd move his shoulder and  
make you feel you could live again. [End of A.]

Then came a moment in time when I just had to be free.

But now I wanna go back.

I wanna go back and see... that look in his eyes again.

And now in the streets... I look for you Joe.

Dancing with Back Street Joe.

Back in the streets I love.

We used to dance all night. Was it so long ago?

[Repeat A.]

R. Dancing with Back Street Joe. (\*)
