There's a forest... a beautiful place,
the sun always shines upon your face,
and the wind blows away the troubles inside your mind.

A. You find your secret garden.

A place that nobody knows... where you can go. [End of A.]

B. Scarlett! The world looks bright today but...

one day you want to cry. [End of B.]

C. Scarlett! And when your sky looks grayish?, one
think I hope you know...

there's a place you can go. [End of C.]

In the distance your life in??wings.

Who knows what emotions it will bring?

But the secrets you hold will help you through anything.

D. You find your secret garden.

A place that nobody knows... where you can grow. [End of D.]

[Repeat B.]

[Repeat C.]

So don't be afraid... if you trust the voice inside of you,
it will guide you... on your way... on your way.

[Short instrumental part.]

[Repeat B.]

Scarlett! And when your sky looks grayish?, one think I
hope you know...

You find your secret garden.

Somewhere that you can go, somewhere were you can
grow.
