A. Darlin', can you come over?

Can you come over? - Meet me tonight. [End of A.]

I've been sitting here alone.

Looking down this telephone.

Thinking things I'd really love to say to you.

Oh, it's true.

I can't get enough of how you love and that's the truth i
swear to you.

Can you come over?

Can you come over? - Think of what we could do.

If you decide to, if you're alive to.

What I want from a guy like you.

[Repeat A.]

Watching movies on TV, never does a thing to me.

I get bored just living here and hanging 'round.

Toss a coin it's heads or tails.

If I run a bath or do my nails.

What's it really matter when I'm far away from you.

If you come over, if you come over - I could be good for
you.

Woudn't you please me, it could be easy.

Just stay here for a night or two.

[Repeat A.]

I'm the girl who waits for you.

I'm the girl who need you too.

I'm the girl who wants you tonight.

Open?

[Repeat A.]

Darlin', can you come over?

Can you come over? - Get you tonight
