Male voice]

Good night

?? see you in the morning.

[Kim]

Shadows across the floor.

Memories fading in.

Voices are far away.

Now it can all begin.

"New York are on the phone, they want you here today."

"Was it a fashion show?"

"Sorry the wouldn't say"

There's a world full of dreams lying on a pillow.

There's a world no-one knows.

Wrapped up in her mind.

[Male voice] It's all imagination.)

[Kim's voice] Now she is back in school.

[Male voice] It's the revolution.

[Kim's voice] Starting at broken glass.

[Male voice] Do what we want to do.

[Kim's voice] Flicking the flies away.

[Male voice] Total autonomy.

[Kim's voice] Whatching the trains go past.

Fighting the Indian war.

Cochise is closing in.

Now she can touch his face!

Riding so close to him.

There's a world full of dreams lying on a pillow.

There's a world no-one's seen.

Living in her mind.

Sailing across a sea.

Images on a screen.

Watching the boats go bye.

Red merging into green.

[Kim's voice] Roxanne don't run away.

[Male voice] You've been a naughty girl.

[Kim's voice] I told you not to go.

[Male voice] Stay in the garden.

[Kim's voice] Why do you run away?

[Male voice] Hear what I'm telling you. ?

[Kim's voice] Mommy will worry so.

[Spoken by Kim]

That's right, this is all my land.

Right across the horizon, as far as you can see.

Well they might lead to other areas. ?

Well, I suppose because we were stronger. ?

???

Noone know about that
