Something's coming down the street.

Something static under your feet.

Never looking left or right,

'coz she'll just blow you out of sight.

She's never waiting on your smile.

Devastating, what's in her style?

Situation no-go zone.

But she'll cut loose when she's alone.

A. R. She's a Love Blonde. (3)

She's got that sensuality for love. [End of A.]

When the boys says "How you been, What you doing",
Can we get in?"

Eyes'll flash and lips will smile.

And she'll just tease them for a while.

'Coz now you see her, now you don't.

You could be there, only you won't.

If you've got that "Savoir Faire".

Well that girl knows and she's aware.

[Repeat A.]

Oooh, Well if you fills her dreams tonight.

Oooh, Just lay back and hold on tight.

[Repeat A twice.]
