"Never Trust A Stranger"

I knew there was a danger

But couldn't resist

The touch of a stranger

The thrill of his kiss

Cos this time

I thought it was love

I thought it was heaven

Having the time of my life

I know it's not true

Oh never trust a stranger with your heart

Oh no, never trust a stranger with your heart

My world is in pieces

You've stolen my pride

And I'm left defeated

And crushed by your lies

Like a tiger you hunted and tracked me down

Savaged my soul and took over control

And then when you'd used all the love you found

You left without trace

Not a note or a single goodbye
