Caught in the times we live in.

Caught in the times we know.

It's taking a real hard line.

You feel you're becoming a number.

Nobody needs your trouble, gives you the time of day.

But kicking the worlds behind won't make it go away.

A. Cos we're strong and we're big enough to take  
whatever time will bring.

We've only one life and we've gotta lot to give.

There's only one time and we've got to make or break  
it. [End of A.]

B. Let the Sparks fly out again.

Let the feelings tell you when.

Let the Sparks fly out again. [End of B.]

Flick on the fingers and they'll cut you down for sure.

You gotta be hard sometimes.

And so you pretend it's nothing.

Finding what to believe in that's what it's hard to do.

Boy there was another time I saw the best in you.

[Repeat A.]

[Repeat B.]

[Solo]

We've only one life and we've gotta lot to give.

There's only one time and we've got to make or break it.

[Repeat B
