Don't start to fumble it up, just do it out...)

Don't wanna know about vacations in this cheap motel

Don't wanna know about your sea green curtains

'Cos all I want 'n' all I need is just some time with you

Don't complicate it, just do it once again

Just go for it, just go for the second time

Just go for it, just go! Just go

Don't wanna hear about the time and how it's gettin'  
late

How can you stop when I could go for hours

You need some magic, come on let me lean on you

Don't look around, you're not goin' anywhere

Just go for it, just go for the second time

Just go for it, just go! Just go for it

And all I need, and all I need, 'cos all I want 'n' all I  
need

I'm never letting go, baby don't expect me to

How can you stop when my whole world's exploding

Look in the mirrors and see the heat of something new

Why don't we do it, just do it once again

Just go for it, just go for the second time

Just go for it

(Solo)

Just go for it

Don't get so nervous, don't get so hot, don't start to  
fumble it up

'Cos all I want 'n' all I need

There's such an urgency in everything I need from you

Stop giving up, you know you can't refuse me

I've every reason to believe there's still a man in you

You done it once, so come on go again

Just go for it, just go for the second time

Just go for it, just go (repeats out)
