Funny what fate can bring you and the things that it can
do

Funny how life will change you when you least expect it
to

I wasn't into anyone, I danced in a sea of faces

I wasn't into anything, but baby you know, together
we're

So right, the touch that I get from you's incredible

So right, the touch that I get when I look at you

Maybe the touch you give me is the look I get from you

Maybe the spell it's weaving is the way you feel it too

Maybe you'll stop and walk away, don't look at me to
follow

I wouldn't run for anyone, but baby you know, together
we're

Chorus:

So right, the touch that I get from you's incredible

So right, the touch that I get, that I get from you

Whatever it is we've got, well maybe we could find out
more about it

Baby we'll create this feeling anytime (anytime)

(Solo)

I wasn't into anyone, I danced in a sea of faces

I wasn't into anything, but baby you know, together

we're

(chorus)

So right, so right, together we're so right
