A. Cascading down.

There's a sound vaporising into vision.

It's a sound in my head that I feel

and it shuts me in a prison. [End of A.]

B. Say it won't last, say it will pass.

Always the sound in my brain.

Can you hear it?

Water on glass running down again.

Water on glass, that sound.

Water on glass running round again.

Help me, the sound of running water's coming down.
[End of B.]

Dancing away like the lights on a moving coloured
river.

Sounds in my head seem to run and again I'm feeling
shiver.

[Repeat B.]

[Repeat A.]

[Repeat B.]

[Fade to die
