Nine to five  
Shuck and jive  
Keeping up and image  
Trying not to let it show  
Talking this  
Talking that  
Talking what they're given  
I've taken all I need to know

Just gimme the money  
Gimme the dough  
Gimme the money  
Money's all I want to know

Current times  
Welfare lines  
Making just a little  
Things are getting mighty rough  
Up and down  
Jerked around  
Always in the middle  
I think it's time to call your bluff

Just gimme the money  
Gimme the dough  
Gimme the money  
Money's all I want to know  
You keep making it hard  
I should be taking it easy  
I could be taking it easy  
I need to make a withdrawl

First degree  
Prophecy  
A fighting education  
Ticket to the human race  
Up in arms  
Sound alarms  
Senates on vacation  
I know just how to solve the case

You keep making it hard  
I should be taking it easy  
I could be taking it easy  
I need to make a withdrawl

Money money  
All I need to know  
Money money  
All I want to know  
Money money  
All I need
