Tonight, do we have to fight again?
Tonight, oh I just want to go to sleep
Turn out the light but you want to carry grudges
Nine times out of ten, well I see the storm approaching
Long before the rain starts falling

Tonight, does it have to be the old thing?
Tonight, oh it's late, too late
To chase the rainbow that you're after
I'd like to find a compromise and place it in your hands
My eyes are blind, my ears can't hear and I cannot find
the time

Tonight, just let the curtains close in silence
Tonight, why not approach with less defiance?
The man who'd love to see you smile
Who'd love to see you smile tonight

Tonight, just let the curtains close in silence
Tonight, why not approach with less defiance?
The man who'd love to see you smile
The man who'd love to see you smile
The man who'd love to see you smile tonight
