And a mossburg pistol grip pump on my lap at all times
Whateva my nigga cause young niggaz still dyin
Hollin bout huh, nigga what, huh, give a fuck nigga what
Full of that weed, planted like a poppy seed
A slanted and enchanted nigga named Young Bleed party on
in the jungle, where the murder million mumble for months and days
Trippin off these blunts we blaze, hell of a high
And tellin em why, I'ma neva say die, see it my eyes
And niggaz say I fly like a eagle, see no evil
And ain't no sequel to this here, this year I'm bailin in the dough
Supernatural, wit ends, y'all niggaz don't here me though
But see how they runnin everything on the cool
But they know I'm fittin to act a fool in this motherfucker

Sent me a letter said P get yo paper don't trust these

These niggaz they'll take you, hustlin is a habit
Young bread cabbage, popcorn and grits nigga tryin to
get a rabbit
What about a nice stallion to slide in, twenty inch
Vogues and some candy
painted to ride in, niggaz flip change in the game
cause we soldiers
Eyes ever red cause a nigga blowin doja
Tie the black shoe strangs, tight on the Reeboks
Grab yo ski mask, DKNY, I mean a plastic glock
Hoes bounce that ass, niggaz get dealt wit
Keep yo' enemy tight, nigga never thank quick
Pour out some liquor to tha homies I owe
R.I.P. to every fuckin rapper, that is gone
Nigga if you Bout It, scream and you shout it
It ain't where you from, every nigga get rowdy
Game get real, nigga guard yo' grill
Cause in the fuckin ghetto you could lose yo' life foe a

[C-Loc]

It's wicked, when I kick it, you don't hear me though
When I hit tha do', best hit it tha flo', time to go
Pay tha cost, to be tha boss, in this rap shit, about as
wicked
It's gon' get, in tha industry, I be, bringin' tha action
In this musical fashion, if you don't know fool you betta
ask em
Cause fools that wanna get wit I get wit em
When I put my gloves on, I'm bout to get gone, so long
Please mama may I, go out and be a playa, sippin' on
Hennessey
A million bitches want me, my nigga passed tha herb, I
took a token
I'm stayin' true, cuz what eva' he down wit I'm down wit
it too
So don't get full of that alcohol in tha club and thank
you bad
Cuz if ya'll niggas start fuckin' up somebody gon' kick
yo ass
Now who's that makin' that funky noise, it's tha locster
comin' through
Wit all his boyz, fucked up and let a nigga get tha right
place in time
So now foolz I'm goin' fo' mine, motherfuckers ungh
