I'm goin' home, I've been gone much too long  
She said she missed me since I've been gone  
I'll be back soon, ain't no doubt  
'Cause she said she wanted my lovin', my lovin'

No holdin' back, I'm goin' home  
No holdin' back, I'm goin' home  
I'm goin' stateside with my convictions

No holdin' back, I'm goin' home  
No holdin' back, I'm goin' home  
I'm goin' stateside with my convictions

I said I'm comin' home soon, I don't know when  
It'll be sometimes soon, soon then  
I thought I'd be, I thought I'd be  
I thought I'd be stateside sooner or later

Marilyn inflatables, home on the range  
Where the livin' is easy on a horse with no name  
Kennedy convertibles, home on the range  
Where the sufferin' comes easy on a blond with no  
brain

I'm goin' stateside  
I'm goin' stateside

I'm goin' home, it's been so long  
She said she missed me and all the fun we'd have  
I think it be the best way  
She said she missed me every, every way

No holdin' back, I'm goin' home  
No holdin' back, I'm goin' home  
I'm goin' stateside with my convictions

No holdin' back, I'm goin' home  
No holdin' back, I'm goin' home  
I'm goin' stateside with my convictions

I've been gone so long  
I've been gone, I've been gone

I'm missin' you

Marilyn inflatables, home on the range  
Where the livin' is easy on a horse with no name  
Kennedy convertibles, home on the range  
Where the sufferin' comes easy on a ten dollar raise

I'm goin' stateside  
I'm goin' stateside
