David Bowie)

Skin dance back-a-the condo

Skin heads getting to school

Beating on Blacks with a baseball bat

Racism back in rule

White trash picking up Nazi flags

While you was gone, there was war

This is the West, get used to it

They put a swastika over the door

CHORUS

Under the God

Under the God

One step over the red line

Under the God

Under the God

Ten steps into the crazy

Washington heads in the toilet bowl

Don't see supremacist hate

Right wing dicks in their boiler suits

Picking out who to annihilate

Toxic jungle of Uzi trails

Tribesmen just wouldn't live here

Fascist flare is fashion cool

Wel, you're dead-you just ain't buried (yet)

CHORUS

As the walls came tumbling down

So, the secrets that we shared

I believed you by the palace gates.

Now the savage days are here

Under the gods

Crazy eyed man with a shot gun

Hot headed creep with a knife

Love and peace and harmony

Love you could cult with a life

CHORUS
