Beauty shrieks, beast in the booties  
Comin' home so lay the table  
Look at you callin' shots  
Call you over, under, out

I was under, backwards, forwards  
Holding hands in the dark  
Kissing some, kissing cousins  
Kissing this guy  
Kissing, [Incomprehensible], kissing that

Over, under, out  
Over, under, out  
Over, under, out

You can't talk  
You can't see me drowning  
You can't talk  
I don't see you swimming

You can't talk  
You want go your way  
You can't talk  
I know you don't blow me

Look at us hearts-a-poppin'  
Guess, it's over  
Crazy action mine's a breakin'  
Guess, it's over here we go

You can't talk  
You can't see me drowning  
You can't talk  
I don't see you swimming

You can't talk  
You want go your way  
You can't talk  
I know you don't blow me

Beauty shrieks, beast in booties  
Comin' home so lay the table

Look at you callin' shots  
Call you over, under, out

You can't talk  
You can't see me drowning  
You can't talk  
I don't see you swimming

You can't talk  
You want go your way  
You can't talk  
I know you don't blow me

You can't talk  
You can't see me drowning  
You can't talk  
I don't see you swimming

You can't talk  
You want go your way  
You can't talk  
I know you don't blow me

You can't talk  
You can't talk  
I know you don't blow me  
You can't talk
