I think I lost it, let me know if you come across it

Let me know if I let it fall along a back road somewhere

Money can't replace it, no memory can erase it

and I know I'm never gonna find another one to  
compare

Gimme some love to fill me up

Gimme some time, gimme some stuff

Gimme a sign, gimme some kind of reason

Are you heavy enough to make me stay?

I feel like I might blow away

I thought I was in Heaven, but I was only dreaming

I think I lost it, let me know if you come across it

Let me know if I let it fall along a back road somewhere

Money can't replace it, no memory can erase it

and I know I'm never gonna find another one to  
compare

I just wanna live the life I please

I don't want no enemies

I don't want nothin if i have to fake it

Never take nothin don't belong to me

Everything's paid for, nothin's free

If I give my heart, will you promise not to break it?

I think I lost it, let me know if you come across it

Let me know if I let it fall along a back road somewhere

Money can't replace it, no memory can erase it

and I know I'm never gonna find another one to  
compare

Money can't replace it, no memory can erase it

and I know I'm never gonna find another one to  
compare
