"Lost Without You"

Never thought that it would be this way without you
It's taking all I have just to live day to day
My heart aches for you I can't believe we're through,
Oh baby, I miss you

CHORUS:

I'm lost, lost without you baby
The days aren't the same the nights are cold and gray
I need you in my life
If not now, then someday

As I think about the times we've shared together
The way I feel for you I know I'll never feel again
Memories of loving you still linger in my head
Oh baby, I miss you

CHORUS

There's a feeling deep inside of me
That just won't let you go
And the more I try to fight it
The more it seems to show...can't let you go

CHORUS 2X
