You look so sorry, please tell me what's wrong
Just what are you thinking, you look so forlorn
Maybe you're thinking that I have been untrue
So let me assure you and tell you the truth
I'm not one to fool around
The mistake that I made was not meant to hurt you
I needed somehow to try and find out
How I really felt inside
And I know I'm...
Still in love
I'm so...
Still in love
I'm gonna be all you want me to be...cos I am
Still in love
Ooh
Still in love yeah
I'm gonna do all you want me to do

Don't ask no questions won't tell you no lies
It's something that happened in which I can't disguise
I needed somebody to take me away
From feelings of doubt which in my mind delay
But you've always been the one
And there are days when I know I should have told you
So please don't you cry
Cos I'm gonna try
To make you believe in me
And I know I'm

Still in love
I'm so...
Still in love
I'm gonna be all you want me to be...cos I am
Still in love
Ooh
Still in love yeah
I'm gonna do all you want me to do

You must be the one for me
Cos as hard as I try
I just can't let you go

So that you know baby
Please, please don't go
Cos you are just all that I need
And I know I'm...

Still in love
I'm so...
Still in love
I'm gonna be all you want me to be...cos I am
Still in love
Ooh
Still in love yeah
I'm gonna do all you want me to do
