I was standing at 7:15 waiting for my baby's car  
Just then out stepped the driver of a limousine  
And asked if I was going far  
I said I've got my mind made up  
I don't wanna leave him baby cause it's clear to me  
That it's just too tough to find another lover like mine

With the right stuff  
The right stuff baby  
I don't wanna miss out on the right stuff  
Ooh no with Mr. Right

Just Friday 'bout a week ago  
This fellow called me on the phone  
And said 'I live in Paris, don't you want to go  
I know you must be all alone'

Well, it'll take more than a fancy trip  
Or a chauffeured limousine  
Cause I ain't never seen no one  
Who could give me love like this  
The other fellows don't compare

To the right stuff  
The right stuff baby  
I don't wanna miss out on the right stuff  
Ooh no with Mr. Right  
Sing

He's the only to give me that lovin'  
Cause next to him there is no other one  
He's very sexy and oh so sweet  
And he knocks me off my feet  
Say it

I need the right stuff  
I got to have the right stuff  
I don't wanna miss out on the right stuff
