

Willows Weeping

"I Close My Eyes"

It's four a.m.
I follow shadows in my room
I close my tired eyes and
Sense your sweet perfume
I start to fantasize about your perfect smile
I close my eyes
I sip some wine
'cause only then my sight gets clear
The blue hour fades and dawn is drawing nearer
I can hear you softly whisper to me
"It will be ok"
I hear you softly whisper
"It will be fine some day"
I shut my eyes and feel your fingers through my hair
The wine is blessed
The taste is sweeter than the air
I dream about your smile
I'll keep that dream alive
I close my eyes
I need more wine
'cause only then my sight gets clear
The blue hour fades and dawn is drawing nearer
I can hear you softly whisper to me
"It will be ok"
I hear you softly whisper "I'll be coming back to you
some day"
