Real life - killed me on the school bus

Real life - wise guys never weep

Real life - dying to be famous

Real life - happens on TV

Real life - covered up in make-up

Real life - it's only make believe

Real life - I meet you when I wake up

Real life - I touch you on a screen

Touch me, touch me

I long to live for real

Touch me, touch me

I'm just as human as a human can be

Please touch me

Real life - full of imitations

Real life - I talk to you in codes

Real life - real imagination

Real life - I hide behind these clothes

Touch me, touch me

I long to live for real

Touch me, touch me

I'm just as human as a human can be

Please touch me

Touch me, (touch me) touch me (touch me)

I long to live for real

Touch me, (touch me) touch me (touch me)

I long to live for real

Touch me, touch me

I'm just as human as a human can be
