"True To You"

If you have ever had a broken heart
if you've been pushed aside with dreams all torn apart
all that you must know
that it's cold in the shadow of love
Everytime I touch myself
I wish it's you
Everytime I hurt myself
I think of you
By lying to myself I am true
True to you
I'll be freezing in that shadow of love
I can't believe a only night could be enough
Oh, what can I do
Cause I'll never get over you
Everytime I touch myself
I wish it's y ou
Everytime I hurt myself
I think of you
By lying to myself I am true
True to you
True to you

Everytime I touch myself

I wish it's you

Everytime I hurt myself

I think of you

I'm lying to myself

I'm lying to myself

I'm lying to myself but I'm true

I'm true to you

True to you
