Imagination...

...

Everywhere you go, there is a paradise
The rainbows so pretty, the sun is so bright
It's a beautiful sight to see
That can take off life in me

Imagination (8x)

...

Everywhere you go, there is love in the air
The people all around, they don't ever care
It's a beautiful sight to see
That can take off life in me

Imagination (8x)

...

Everywhere you go, there is love in the air
The people all around, they don't ever care
It's a beautiful sight to see
That can take off life in me

Imagination (4x)

...

Imagination (7x)

Imagination oh yeah!

...

Everywhere you go, there is a paradise
The rainbows so pretty, the sun is so bright
It's a beautiful sight to see
That can take off life in me
