Life

Mysterious life

We're all moving around

Dancing the rythm of life

Time

Mysterious time

We're all counting the hours and days

'till the end of all time

Were all feeling the change

But we don't know why

Choose one direction just one for time

Don't say I'm thinking too much

If you see what's behind

And these are mysterious times

Mysterious times

No trick of the mind

For this moment I feel

Like we live in

Mysterious times

If you see what's behind

These are mysterious times

Soul

I feel my soul

For this moment

Nobody can stop me from flying so high

Real

I feel so real

In a world of illusion

You only see what you feel

Were feeling the change

But we don't know why

Choose one direction just one for time

Don't say I'm thinking too much

If you see what's behind

And these are mysterious times
Mysterious times
No trick of the mind

For this moment I feel
Like we live in
Mysterious times

If you see what's behind
These are mysterious times

If you see what's behind
These are mysterious times
