(I?m Looking Rather Wasted,
now that your gone,
now that i know,
your on your own..)X2

Have you Seen The Very Thing,
Thats Making all the noise,
so shimmering
Do you Know? You?re not alone,
cause every little body on the surface has a siver ring
and get it right, my brother bright,
thats making all the noise so very white
Do you Know? You?re not alone
cause every little body on the surface has a better
home

Chorus:-
I?m Looking Rather Wasted,
now that your gone,
now that i know,
your on your own.X4

look and see,
what better be
Tales telling of a story so tenderly,
Do you Know? You?re not alone,
cause every little body on the surface has a silver seem
and get it right, my mother bright
thats making all the noise, so very white
Do you Know? You?re not alone
cause every little body on the surface has a better
home

Chorus X4

Have you seen this very thing,
thats making all the noise,
so shimmering
dont you know you are chocking by exception,
you know i?m not allowing this when your going home

Chorus X4
