I see forever when I look in your eyes  
You're all I ever wanted  
I always want you to be mine  
Let's make a promise till the end of time  
We'll always be together  
And our love will never die

So here we are face to face  
And heart to heart  
I want you to know we will  
Never be apart  
Now I believe that wishes can come true  
Cause I see my whole world  
I see only you

When I look into your eyes  
I can see how much I love you  
And it makes me realize  
When I look into your eyes  
I see all my dreams come true  
When I look into your eyes

I've looked for you all of my life  
Now that I've found you  
We will never say goodbye  
I can't stop this feeling  
There's nothing I can do  
'Cause I see everything when I look at you
