Thy right hand holds all pleasures forevermore  
It's my desire to please You (It's what I live for)  
Hearing Your voice and Your Word makes me rejoice  
Oh You're the one that I adore  
You're my strong tower  
Mighty in power  
Your spirit moves me  
Your touch is healing  
The Love of my heart  
My heart beat reaces  
The Love of my heart  
You're my true oasis  
The Love of my heart  
My rock and fortress  
The Love of my heart  
There's no other place  
I'd rather be  
Than in Your company  
You are my guiding light  
You're the Love of my heart  
You're my delight, dear Father

In You I trust  
I will behold Thu face and righteousness  
I wanna be just like You and nothing less  
You know you're simply the best (the best, the best)

You're my deliverer  
And my provider  
It's Your joy that pulls me through  
I can't live without You

(The Love of my heart, the Love of my heart)

You're my strong tower  
Mighty in power  
You're Spirit moves me  
You're touch is healing
