[Intro]

I want to be your  
be your best friend  
I want to be your  
be your best friend

Hello mister busy  
I wonder could you share a little time  
Let me introduce you to abundance  
I that you need I will supply  
I wanna be everything  
I wanna be more

I already know about the secrets  
Already heard about the past  
I didnt come to hold the guilt up over  
Only come to share the love I have  
All I want to be is everything  
I wanna be more than just a friend

Let me be the one to hold you through the night  
I can take your enemy and when the fight

(Chours)

I wanna be more than just your sister  
I wanna be more than just a kin  
Gotta be more than just your brother  
I wanna be more than just your friend  
All I wanna be is everything  
I wanna be more

Stay close to me  
Be ready to hear my next word  
I got alot of grace to live  
And in case you haven't heard  
I wanna be everything  
I wanna be more

Many places I can take you  
Many promises to fill  
But in order to recieve them

We've gotta make this clear  
I've gotta be everything  
I wanna be more just your friend

Let me be the one to love you when your wrong  
And I can be the lyrics to a happy song

(Chours)

Gotta be  
Wanna be  
Let me be

(Chours \*1)

[Ending]  
I want to be your  
be your best friend  
I want to be your  
be your best friend
