Lauryn Hill)

The world is moving much too fast
mother's have kids they out last
young men think it's hard to pass, this way
Everybody's tryin' hard
to find a world in a life that's flawed
When each one should be thanking God
all the way...

Chorus

I want to see you on that day,
On that day
On that day
You know I want to see you on that day
On that day
On that day
We're chasing worldly vanity
some of us living in insanity
forgetting our humanity with no way
Break the bonds that tie your flesh
without Him then life is death
only He will not transgress

(there's no way)

open up your heart and know

our debts were paid for long ago

and love is all we really owe

(for a way)

Repeat Chorus
