Lying back to back at 10 to 1  
You'Ä, 're awake like me  
Trying to conceive that done is done  
You made a mistake, I see

But IÄ, "m a little too tired, baby  
ItÄ, "s a little too late

To bring it up in the weary dark of night  
Between black and white  
Is a thousand shades of gray  
IÄ, 'm not giving up but I need a little light  
Oh,Ä,Ä– save it for the break of day  
Save it for the break of day

Monday'Ä, 's paper scattered on the floor  
Lost in time like me  
Nothing that I haven'Ä, 't heard before  
A skeptic mind set free

But IÄ, "m a little too tired, baby  
ItÄ, "s a little too late

To bring it up in the weary dark of night  
Between black and white  
Is a thousand shades of gray  
IÄ, 'm not giving up but I need a little light  
Oh,Ä,Ä– save it for the break of day

A little bit worried lately  
Been a little too scared to make me  
Take a stand, a chance to maybe  
Land this kamikaze romance safely

IÄ, 'm just a little too tired, baby  
ItÄ, 's a little too late

To bring it up in the weary dark of night  
Between black and white  
Is a thousand shades of gray  
IÄ, "m not giving up but I need a little light  
Oh,Ä,Ä– save it for the break of day

Don't bring it up in the weary dark of night  
Between black and white  
Is a thousand shades of gray  
No, I'm not giving up but I need a little light  
Oh, save it for the break of day

Save it for the break of day  
Save it for the break of day  
Lonely lonely night I've had  
Try to [Incomprehensible]
