I'm writing this letter
To tell you I'm on my way
I'm coming home
I'm feeling much better
I don't know what else to say
I've missed you so

I never thought I would want to go back from Goldhawk
Road
But history and hope is much stronger than that
And here I go
I know I'm late
But babe, I've changed

My love, will you be there
The morning my ship comes in
I can only hope
I know I'll be eager
To tell you everything
When we get home

I never thought I would want to go back from Goldhawk
Road
But friendship and root is much stronger than that
And here I go
I know I'm late
But babe, I've changed

I never thought I would want to go back to where I came
from
But oh, my love is much stronger than that
And here I come
Oh, to belong
Such a gift
You know I never left

I'm writing this letter
To tell you I'm on my way
I'm coming home
And nothing, nothing, nothing
Can get in my way

Babe, I've changed
